

# The Lay of the LONESOME LUNG.

A saddened man was Bung,  
Although a prosperous and wealthy one;  
He only had one lung,  
And that, alas, was not a healthy one:  
But this condition was, remember, ere he  
Had taken WISTAR'S BALSAM OF WILD CHERRY.

He hated all M. D.'s,  
And positively wouldn't hear of 'em:  
*I think he grudged their fees;*  
*He swore 'twas 'cause he stood in fear of 'em:*  
And if he hated doctors, think how very  
Opposed he was to BALSAM OF WILD CHERRY.

"To foreign parts I'll fly,"  
Said Bung, "no sort of use resisting me;  
If die I must, why I  
Can do so without your assisting me.  
So find some other chap to drug and blister;  
I'm off," said he. "You are," said Dr. WISTAR.

Coughs, Colds, Hoarseness, Sore Throat, Bronchitis, Influenza, Asthma, Whooping-Cough, Croup, and every affection of the Throat, Lungs and Chest, including Consumption.

This remarkable remedy is as highly appreciated, and as much sought after now, as on its first introduction many years since, when, by the astonishing cures which it performed, such a *furore* was excited in the invalid community. The same results follow its use now as formerly; and the sick are assured that the high standard of excellence on which its popularity is based will always be maintained. The proprietors, mindful of their responsibility to the afflicted, exercise the utmost care in the selection and compounding of the various ingredients of which the Balsam is composed. So long as this is done WISTAR'S BALSAM will continue to maintain its supremacy and commend itself to the world as the best remedial agent—the most safe, certain, speedy and permanent in its results; in short, it will be prized as the remedy *incomparable*.

# WISTAR'S BALSAM OF WILD CHERRY,

— THE —

GREAT REMEDY FOR CONSUMPTION,

Is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the RELIEF and CURE of all lung complaints.

CONSUMPTION CAN BE CURED

By a timely resort to this standard remedy, as is proved by hundreds of testimonials it has received.

A CASE OF CONSUMPTION.

From MRS. MELISSA M. BALL, of East Stoneham, Oxford County, Me.

"In the early part of last winter I took a severe cold, and shortly afterward a distressing cough was added to it. My friends did everything they could for me, but without avail. The best physicians that could be procured did not relieve me, and my cough continued with me all through the winter with increasing severity. I spit blood three or four times a day, and my friends considering my case hopeless gave me up as a *confirmed consumptive*. I was in this condition when I heard of DR. WISTAR'S BALSAM OF WILD CHERRY. I began its use, and before I had taken half a bottle my cough and all my other troubles left me, and I was cured. I feel so truly indebted to this great remedy for what it has done for me that I send you this voluntary testimony, hoping it may be the means of inducing others, who are suffering as I was, to make use of it."

The captain of the ship  
Observed, "Dear me, you look quite poorly, sir;  
I hope this little trip  
Will do you lots of good; but surely, sir,  
Beside sea air you need some tonic wholesome:  
Try this," producing WISTAR'S CHERRY BALSAM.

## TESTIMONIALS IN FAVOR OF WISTAR'S BALSAM OF WILD CHERRY.

From SEYMOUR THACHER, M. D., of Hermon,  
New York.

"WISTAR'S BALSAM OF WILD CHERRY gives universal satisfaction. It seems to cure a cough by loosening and cleansing the lungs and allaying irritation, *thus removing the cause instead of drying up the Cough and leaving the cause behind.* I consider the Balsam the best Cough medicine with which I am acquainted."

From R. FELLOWS, M. D., of Hill, N. H.

"I have made use of this preparation for several years, and it has proved to be very reliable and efficacious in the treatment of severe and long-standing Coughs. I know of one patient, now in comfortable health, who has taken this remedy, and who but for its use, I consider would not now be living."

From A. DUNKLEE, Postmaster at West Brattleboro', Vt.

"I am subject to *sudden colds*, followed by *hard coughs*, for which I use the BALSAM, and find it the *best remedy* for a cough or a sore throat that I ever was acquainted with. My family also are as much in favor of it as myself. In fact, we always have it in the house, and would as soon think of doing without flour as your excellent BALSAM OF WILD CHERRY."

From NATHAN PLUMMER, M. D., Auburn, N. H.

"Although averse to countenancing patent medicines, I cheerfully make an exception of your very excellent lung preparation, DR. WISTAR'S BALSAM OF WILD CHERRY. This preparation I have used in my practice for more than ten years past, and have always found it to be of more effectual service than anything within my knowledge. I recommend it with the greatest confidence to those subject to Coughs and Pulmonary Complaints."

From E. T. QUIMBY, A. M., Principal of the "New Ipswich (N. H.) Appleton Academy."

"For more than fifteen years I have used DR. WISTAR'S BALSAM OF WILD CHERRY for *Coughs, Colds and Sore Throat*, to which I, in common with the rest of mankind, am subject; and it gives me pleasure to say that I consider it the *very best remedy* with which I am acquainted."

From Hon. J. E. SMITH, of Maryland.

"I have frequently used DR. WISTAR'S BALSAM OF WILD CHERRY for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use."

## TESTIMONIALS IN FAVOR OF WISTAR'S BALSAM OF WILD CHERRY.

From the BOSTON EVENING TRAVELLER.

"It is, perhaps, but a simple act of justice to the proprietors of WISTAR'S BALSAM OF WILD CHERRY for us to say, that our personal experience in the use of this article has impressed us favorably. One of the proprietors of the *Traveller* was entirely cured of a severe cough of four months' continuance, by the use of this Balsam, and several of our friends and acquaintances, who have tried the article, have found it of great service in relieving them of severe coughs and shortness of breathing, with which they had been afflicted."

From the PORTSMOUTH JOURNAL.

"A venerable clergyman recently informed us that he always carries a vial of WISTAR'S BALSAM in his pocket. He has long been troubled with bronchitis, but after tasting this Balsam he is enabled to go through with the services of the pulpit, without experiencing any difficulty from his disease."

From the MANCHESTER DAILY UNION.

"WISTAR'S BALSAM OF WILD CHERRY is no quack nostrum, but a genuine medicine skilfully prepared, and well adapted to the class of diseases for which it is recommended. Regular physicians recommend it. We have not only advertised it, but have used it in our family, and speak from experience of its value."

From JOHN FLAGG, Esq., of Bennington, N. H.

"Three years since I was very much reduced with a *dreadful cough*, which resulted in *Bronchitis*, affecting me so severely as to render it difficult to speak in an audible voice. To this was added severe night sweats, and I was fearful of going into a decline. After recourse to various remedies, to no purpose, I made use of WISTAR'S BALSAM OF WILD CHERRY, a few bottles of which *fully restored me to health.*"

### THIS HOUSEHOLD REMEDY

Should be in the hands of every family and individual, as its timely use in case of a slight cold will cause immediate relief, while cases of long standing, and apparently incurable character, often yield to its wonderful curative powers and its great adaptation to the wants of man when afflicted.

## PERUVIAN SYRUP vs. ALCOHOLIC TONICS.

It has long been a desideratum with the medical profession to supply a preparation of iron less objectionable than any of those now in use, which often produce unfavorable effects upon the system, especially when prepared with alcoholic fluids.

In many cases of debility and convalescence from disease, where a tonic is indicated, wine, brandy, porter, &c., have been recommended; but these are of very doubtful efficacy, to say the least. Alcohol is never digested, is ranked among the diffusible stimuli, and is incapable of affording nutrition. It creates generally an unnatural excitement and derangement of the circulation, irritating the whole system by preventing the blood from losing its carbon. Again, how difficult it is to obtain an article approaching to purity; almost all the wines, brandies, porters, &c., being more or less adulterated.

Such being the case in regard to the spirituous preparations of iron, and the alcoholic drinks, of which any one can satisfy himself by investigating the subject, an opportunity is now presented in the PERUVIAN SYRUP for the trial of an article in general practice which has the very strongest recommendations from medical and scientific men of the highest character—a preparation which so happily combines the protoxide of iron with the other constituent parts that the effects incident to the use of iron salts are entirely obviated.

In Rome thus spoke the Pope :  
" I'm glad to meet you, I assure you, sir  
You are quite well, I hope?  
No? Then I know just what will cure you, sir.  
What, ho ! Request our court apothecary  
To bring some WISTAR'S BALSAM OF WILD CHERRY."

## TESTIMONIALS IN FAVOR OF PERUVIAN SYRUP.

### FROM A WELL-KNOWN WRITER,

MRS. MARY FRANCIS ("Margaret Blount") of  
Woodstock, Vt.

"Two years ago I began to take the PERUVIAN SYRUP. I was in a languid, half-alive state, through incipient dyspepsia and defective circulation of the blood. Three bottles of the PERUVIAN SYRUP changed this to glowing, bounding health. I have a fine appetite, sleep soundly, and can walk five miles easily, without resting, or busy myself out of doors all day long without fatigue.

A lady cousin, who resides with me, took the Syrup during her recovery from a serious illness of some weeks. She has been an invalid for years. Five bottles of the Syrup have so built up her system that she now eats quite heartily, sleeps well, and can walk three miles (in fine weather) without fatigue. I consider the medicine so invaluable to persons of sedentary pursuits, or to those who suffer from languor or low spirits, that I relate this personal experience of its effects to you, leaving you to make what use you please of my letter."

From the REV. J. W. OLMSTEAD, Editor of the  
"Watchman and Reflector."

"We feel fully justified in commending to suffering invalids, of which various stages and types there are so many, this important and excellent medicine."

### A CASE OF THIRTY YEARS' STANDING.

From J. T. BOWEN, Esq., East Aurora, N. Y.

"I was troubled with dyspepsia for thirty years, and tried several medicines advertised for the cure of this distressing complaint, without deriving any benefit from them. About a year ago I commenced taking the PERUVIAN SYRUP, and after using altogether twelve bottles I find myself entirely cured. I consider my case one of the worst I ever heard of, and I take great pleasure in recommending the PERUVIAN SYRUP to all dyspeptics, believing that it will be sure to cure them."

AN EMINENT DIVINE of Boston says:

"I have used the PERUVIAN SYRUP for some time past; it gives me NEW VIGOR, BUOYANCY OF SPIRITS, ELASTICITY OF MUSCLE."

ANOTHER CLERGYMAN writes:

"My voyage to Europe is indefinitely postponed. I have discovered the 'Fountain of Health' on this side of the Atlantic. Three bottles of PERUVIAN SYRUP have rescued me from the fangs of the fiend, Dyspepsia."

To India's coral strand  
He went, and met a maiden beautiful;  
He offered her his hand,  
And she replied in manner dutiful  
But murmured softly, as her lover kissed her,  
"My own, try CHERRY BALSAM, made by WISTAR."

### **DYSPEPSIA.**

From **GEORGE S. BIXBY**, of Epsom, N. H.

"I became reduced in health and strength to a mere skeleton of my former self. My physician recommended the **PERUVIAN SYRUP**, which I used for several weeks, and found my health restored and my weight increased from 80 to 150 pounds."

### **DEBILITY.**

From **C. L. BURNS**, of Clinton, Me.

"Having received decided benefit from the use of the **PERUVIAN SYRUP** for dyspepsia and general debility, I cheerfully recommend it."

### **WEAKNESS.**

From **ITHIEL PEASE**, of North Searsmont, Me.

"My wife has been in feeble health and very much debilitated; she has taken three or four bottles of the **PERUVIAN SYRUP**, and is now better and weighs more than she has for ten years."

### **INDIGESTION.**

From **REV. GURDON ROBBINS**, of Hartford, Conn., of the Baptist Denomination.

"It is a duty I owe to you and the public to express my confidence in the **PERUVIAN SYRUP** as a safe and powerful remedy in those various manifestations of disease consequent upon disordered digestion."

### **LIVER COMPLAINT.**

From **S. H. KENDALL**, M. D., of Boston.

"I was for many years afflicted with Liver Complaint, of which I was cured by the use of the **PERUVIAN SYRUP**, and have enjoyed perfect health ever since."

### **BOILS.**

The **REV. CALVIN DAMON** says:

"For seven or eight years I have been afflicted at intervals with Boils. Since using the Syrup I have had one large and painful one near the centre of the spine, and around it (as if anxious to improve their last chance) a cluster of smaller ones, all of which have now disappeared."

### **PARALYSIS.**

From **CHARLES E. PEARCY**, of Brooks, Me.

"My limbs were paralyzed and useless; three bottles of the **PERUVIAN SYRUP** restored me to complete health. I have recommended it in several cases similar to my own with the same good results."

### **NEURALGIA.**

From **LEWIS JOHNSTON**, M. D., of Horton, N. S.

"My experience of the **PERUVIAN SYRUP** satisfies me that it is a valuable remedy for diseases usually classed under the general term of Dyspepsia, Nervous Debility, and Neuralgia. I have also found it useful in Rheumatic Affections and Hemorrhage of the lungs."

Poor Bung ran off and hid  
In Egypt, to escape admonishing ;  
He saw a pyramid,  
And cried aloud, " This is astonishing !  
For on its sides, in letters mighty, very,  
He read, " Try WISTAR'S BALSAM OF WILD CHERRY."

"Enough!" cried Bung, "I'll buy  
 This stuff, to find out what its powers are.  
 He bought a lot to try —  
 His lungs are now as sound as ours are!  
 He went, quite cured, directly back to Aden  
 Was married to the handsome Indian maiden,  
 Has children now, I hear, is fat and merry,  
 And all through WISTAR'S BALSAM OF WILD CHERRY
